**THIS IS IT!  
THE TREASURE  
YOU'VE BEEN  
WAITING  
FOR!**

# GIVE A MEDALLION TO THE ONE YOU LOVE! EVEN IF IT'S YOURSELF!

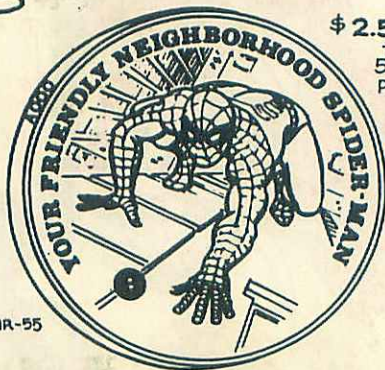

AND, FOR THAT MATTER,  
MAYBE YOU'VE GOT AN  
ENEMY WHO COULD STAND  
A SMIDGEN OF SARTORIAL  
SELF-IMPROVEMENT...

Okay, tigers! Once again, your blushing Pullpen buddies offer you the twin treasures you've been clamoring for—Marvel's own official *SPIDER-MAN* and *CONAN* medallion coins... featuring three-dimensional sculptured images of everybody's favorite web-slinger or the greatest sword-and-sorcery hero of them all! And wait! If you dig on the bombastic bits of Marvel memorabilia on the flip sides of these cavortin' coins!

And, just because we love you, we're also making available a nifty 24" long necklace chain so that you can proudly display your magnificent medallion. (Unless, of course, you were planning on locking yours away in a safety vault and not share its unparalleled splendor with your fellow man!)

So order your medallion today, o Keeper of the Flame! Give it to that marvelous Mister or Ms. who's captured your heart—or wear it yourself! You don't want to feel undressed the next time you make the scene at a comics convention, do you?

WELCOME TO THE WONDERFUL  
WORLD OF THE  
**SUPERHEROS**

Dear Superheroian,

They said man couldn't reach the moon, but it happened!  
They said Lindberg couldn't cross the Atlantic, but  
it happened!

They said that the two greatest Superheros of all time  
could never be teamed up in one book, but it happened!  
And they said that a catalog to entice the serious collector,  
the Superhero toy lover, and comic book reader could  
never be prepared, BUT WE MADE IT HAPPEN!

Yes, as you turn the pages of the greatest catalog ever,  
dedicated to the superheros that we love, you may not  
be able to believe that we were able to assemble so  
many goodies in one book. And what a book -- the  
COMIC BOOK OF SUPERHERO MERCHANDISE, with every ginchy  
gizmo possible (and then some).

Read it! Enjoy it! Love it! and then you can fill in those  
funny lined coupons in the back and faster than you  
can say Mxyzptlyk you'll be in receipt of the goodies  
you've ordered. That's our promise.

IVAN  
(not the terrible one,  
THE GREAT ONE)
